

I used to be an atheist, but THIS sub started my journey to being a Christian.

I understand if you don't agree with me. I will completely understand and would never judge someone else for their religious decisions.

Whatever works for someone else, works for them. And it's none of my business.

I'm just sharing my point of view in case anyone finds it interesting..

So I was never religious. Always thought it was a load of shit. Would actually argue with my girlfriend and mother about how ignorant and stupid they are to believe in the imaginary man in the sky.

One day I found this sub by accident, and I noticed a post.

A post about the testimony of a prostitute who worked for the Elite. This took me down into months and months of researching and reading. Reading about child sacrifices, the Elites hidden lives of drugs and societal destruction.

I absolutely believe that this world is run by Satanist from behind the curtain, who has convinced the world that belief in God translates to ignorance and idiocy.

I believe that the Queen of England has sacrificed children in the name of the Devil. And I believe that the Elite rapes children, and pushes casual abortion as a massive slap in the face to God.

Children are trafficked. Porn is brainwashing the psychology of men and young teens. Transgenderism and homosexuality is pushed to kids to completely create a society of ungodly behavior.

All disguised as freedom of expression, and the creation of a Godless society.

And the strange thing about all of this? The Bible predicted this for the end times.

An amazing quote I remember reading - "The greatest trick the devil ever played was convincing the world he doesn't exist".

That way he can keep on doing what he is doing from behind the scenes. Through music. Films. Society and beliefs.

Also fuck Trump. That man is intended to be the personification of a "stupid Christian", pushing people further away from the religion. He knows what he is doing. He acts like a fool on purpose.

Hillary and Trump have sat at the same table and drank from the same cup of blood. Because it's all part of a greater game, exactly predicted in then Bible...

Then again, this is purely my own belief.

That's not very Jesus Christ of you, now is it. May the lord save your nostrils. hallelujah baby, hallelujah. Give me that white powder_____

Haha, sorry man, I know what you are trying to do, but attempting to discredit my beliefs because I've done cocaine is not really going to affect me.

Don't bother with him. Jesus hung out with those unhappy with life and showed them the way. We've all done things that are bad, we are all sinners. We all transgressed but a sinless man put to death, broke the gates of hell wide open and freed us from death.

In other words, the moment you believed in Jesus being the Son of God and laying down his life you were saved. Now, all you need to do is have faith in him and a relationship with him daily. Be thankful, be loving and ask for forgiveness daily.

And why did god tear down the tower? People were working together to accomplish something, god couldn't handle that.

1 Now the whole world had one language and a common speech. 2 As people moved eastward, they found a plain in Shinar and settled there. 3 They said to each other, "Come, let's make bricks and bake them thoroughly." They used brick instead of stone, and tar for mortar. 4 Then they said, "Come, let us build ourselves a city, with a tower that reaches to the heavens, so that we may make a name for ourselves; otherwise we will be scattered over the face of the whole earth." 5 But the LORD came down to see the city and the tower the people were building. 6 The LORD said, "If as one people speaking the same language they have begun to do this, then nothing they plan to do will be impossible for them. 7 Come, let us go down and confuse their

language so they will not understand each other.” 8 So the LORD scattered them from there over all the earth, and they stopped building the city. 9 That is why it was called Babel —because there the LORD confused the language of the whole world. From there the LORD scattered them over the face of the whole earth.

OP, he has a good point. That's not the kind of lifestyle you should be supporting and pursuing as a Christian. If you have been born again and indwelt by the living Spirit of God, you should have a new desire to turn away from sin and to honour God in a way that you didn't before. It's not automatic or immediate, but it has to happen, otherwise that is evidence of a false conversion. Don't be a hypocrite, there's enough of them out there (rest assured, I sometimes have to remind myself of that too). You will stumble and fall, and you will fail, but that should be the exception, not the rule.

I will mention that I have a similar story; I believe God used conspiracies to open my eyes, turn my world upside down, and lead me to Christ. Please read the scriptures below. God bless you.

And you were dead in the trespasses and sins in which you once walked, following the course of this world, following the prince of the power of the air, the spirit that is now at work in the sons of disobedience— among whom we all once lived in the passions of our flesh, carrying out the desires of the body and the mind, and were by nature children of wrath, like the rest of mankind. But God, being rich in mercy, because of the great love with which he loved us, even when we were dead in our trespasses, made us alive together with Christ—by grace you have been saved— and raised us up with him and seated us with him in the heavenly places in Christ Jesus, so that in the coming ages he might show the immeasurable riches of his grace in kindness toward us in Christ Jesus. For by grace you have been saved through faith. And this is not your own doing; it is the gift of God, not a result of works, so that no one may boast. For we are his workmanship, created in Christ Jesus for good works, which God prepared beforehand, that we should walk in them. - Ephesians 2:1-10

May grace and peace be multiplied to you in the knowledge of God and of Jesus our Lord. His divine power has granted to us all things that pertain to life and godliness, through the knowledge of him who called us to his own glory and excellence, by which he has granted to us his precious and very great promises, so that through them you may become partakers of the divine nature, having escaped from the corruption that is in the world because of sinful desire. For this very reason, make every effort to supplement your faith with virtue, and virtue with knowledge, and knowledge with self-control, and self-control with steadfastness, and steadfastness with godliness, and godliness with brotherly affection, and brotherly affection with love. For if these qualities are yours and are increasing, they keep you from being ineffective or unfruitful in the knowledge of our Lord Jesus Christ. For whoever lacks these qualities is so nearsighted that he is blind, having forgotten that he was cleansed from his former sins. Therefore, brothers, be all the more diligent to confirm your calling and election, for if you

practice these qualities you will never fall. For in this way there will be richly provided for you an entrance into the eternal kingdom of our Lord and Savior Jesus Christ. - 2 Peter 1:2-11

yes. the lord loves all his children. he doesnt withhold his love because we sin. there will never be a time where the lord does not love you. he made you from himself. it is not possible for the lord to forsake you. the lord loves all sinners. that is the whole point. he died for our sins. he died so that we may live in sin. he loves all of us. that's the whole point.

always remember this, brother/sister in christ: all biological humans are the lord's children whether they believe in god or not. he had you in his hand before you ever acknowledged the truth of his existence. he loved you even when you doubted him, and that is the power of the lord. he knows we arent perfect, yet still loves us. he tries to teach us how to treat one another, by setting the example.

you can't cast a spell on a christian. you have to make the christian cast a spell on themselves. god's hand is strong and protects you from those who seek to hurt you undoubtedly, but god cant make your decisions for you. 18:86 reminds us that the way you choose to live your life is the key factor of your happiness and contentedness.

all around you there are people trying to make you cast a spell on yourself. do these drugs! drink this alcohol! drink this soda! get this vaccine! YOU will never be harmed by these wicked ideas if you CHOOSE not to expose yourself to them! and that is the truth. that is the power of the lord.

god bless you & continue to enlighten yourself. much love.

Craziness is thinking that YOU can somehow define and design your own religion. The Word of God has infinitely more authority than your own thoughts. The Bible says our own hearts are deceitful and desperately wicked. Don't talk about the Lord, Christ, and sin unless you have the truth from God himself, not your own mind. That being said, I agree with some of your post, but it seems that you have not received the true gospel and submitted to God's Word.

Your awakening could not have happened at a better time my friend. Isnt it amazing how everything suddenly clicks and makes sense when you see the obvious?

The spirit of the evil one is at work in those who chose evil over good. The spirit of the evil one is in many of the posters here, evident by the ignorant posts (and usernames) in this thread. Maybe they will come around, maybe they wont. Either way...keep spreading the word of the Lord.

Remember: it is human nature to sin. You will whether you intend to or not. Your forgiveness from sin comes from your belief in Jesus Christ. Spread the message of hope far and wide. Cast a large net and do not worry about criticism from those who are still asleep.

The same thing happened to me. 2016 I went from nihilist agnostic to Christian. Now you got to study out the Bible version issue. The King James Bible is the only real bible today. Don't read any other version. Also get a firm understanding of Biblical dispensations so you can avoid all the false teachings. This one teaching alone will help you sift through so many liars.

<https://www.youtube.com/watch?v=GI4CteEFxOk>

Christ Jesus is literally the truth and because of that there are spiritual gatekeepers at every turn calling themselves Christians. Stick to King James Version only (not new here is example: <http://www.av1611.org/nkjv.html>) and learn Biblical dispensations.

Why do you think the KJV is the only correct version, while most biblical scholars consider it one of the poorest translation?

level 3

[ImmortalMaera](#)

1 point · [10 hours ago](#)

Translating through many different languages can wash down the original words. It's like the game of 'Telephone'. People want exactly the closest in translation as they can get as to not alter any of the words, or intended meanings. The King James version is pretty much the most widely accepted, and one of the oldest English translations from the original writings of Greek, Hebrew, and Aramaic.

It's a massive issue that you have to dig into for yourself. I'd say the fact that those who have gone through worldly institutions all think it's the worst is a reason to take a close look. Here is one example of just comparing the KJV to the NKJV.

<http://www.av1611.org/nkjv.html>

I recommend anything by Dr. Gene Kim on the issue:

How do the god(s) speak? Not like humans--they are not convinced by words, they do not speak to themselves, truth does not speak a human-like language nor have a human-like mind. Truth is what cannot be spoken in human terms or via human thought. Truth does not convince with logic or emotion, truth is simply the ultimate justice and defense of itself. That which is perfectly true is perfectly immune from anything outside or contrary to truth: which is total knowledge, total information, the totality of everything that is or can be *or must never be*. As such it is the convergence of all of reality in one self-knowing point that is simultaneously everywhere.
