

Why are 99.9% of Christian churches worthless social clubs, that do nothing to stand up against evil? B/c they are neutered by the government through the 501c3 IRS designation, and all "mainstream" denominations are controlled from the top down via Freemasons and other Satanic influence

Why do the "mainstream" churches not speak out and warn against the "New World Order" conspiracy? Shouldn't they be screaming from the rooftops at the top of their lungs about how the NWO agenda is the modern-day manifestation of the Satanic conspiracy for a one-world government, as foretold in the books of Daniel and Revelation? Yet there is virtual silence. There is NOTHING from these pathetic churches about this issue.

Why aren't there sermons every morning condemning abortion, Hollywood perversion, or the homosexual and transgender agendas that are destroying western society? The level of wickedness taking over society right now is OFF THE CHARTS. Yet the churches are silent.

All you get from the mainstream churches is a "love everything and everyone" message. And this mantra of the false teaching of "saved by faith alone" -- where all you have to do is "believe only", and you don't have to obey God's commandments or fight evil. And the false teaching of the "rapture", where you don't have to care that the world is going to hell in a handbasket, because the "world is going to end any day now", as these false preachers have been saying for the last 100 years.

99.9% of mainstream churches are 501c3 organizations under the IRS. Under these IRS rules, they will lose their tax-exempt status if they talk about "political" issues -- which is vaguely defined and enforced, but I heard one preacher say that they can't discuss the government or "political" topics above 5% of the time in their sermons. This is why you don't hear preachers speak out against particular politicians, political parties, or even touch "political" subjects such as homosexual "marriage" or abortion.

Also, mainstream denominations are controlled from the top-down, via hierarchical organizations which are corrupt at the very top. Obviously, the Catholic Church is totally corrupt, because the Vatican and Jesuit Order are Satanic organizations and control the entire organization from the top down. Most Protestant churches are heavily infiltrated and controlled in the leadership

positions by Freemasons. Furthermore, the seminaries which produce the pastors have been heavily infiltrated, funded, and controlled by Satanic forces -- including the Rockefeller funding of many major Protestant seminaries.

Above all, you can easily see how corrupt the churches are due to the fact virtually all denominations are subservient to and aligned with JUDAISM. And, by the way, Judaism is Satanism. Almost all churches support Zionism, and the lie that the "jews" are the true Israelites. They will not allow ANY criticism of jews, and certainly will not speak out about the fact that elite jews rule Western society, and are subverting and destroying Christian morality and society. This proves that the churches have been effectively taken over by Judaism, and the jewish NWO elites who rule our society.

It also came out several years back that many churches/pastors are partnered with the government via "Clergy Response Teams" -- where in the event of a "crisis", these pastors will work with government officials to direct their congregations to do certain things, such as turn in their guns and accept martial law, etc.

All you get from the mainstream churches is a "love everything and everyone" message. And this mantra of the false teaching of "saved by faith alone" -- where all you have to do is "believe only", and you don't have to obey God's commandments or fight evil.

Probably because of Matthew 22 verses 37-40: "[37] Jesus said unto him, Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind. [38] This is the first and great commandment. [39] And the second is like unto it, Thou shalt love thy neighbour as thyself. [40] On these two commandments hang all the law and the prophets."

And also Luke 23: 39-43: "39 One of the criminals who hung there hurled insults at him: "Aren't you the Messiah? Save yourself and us!" 40 But the other criminal rebuked him. "Don't you fear God," he said, "since you are under the same sentence? 41 We are punished justly, for we are getting what our deeds deserve. But this man has done nothing wrong." 42 Then he said, "Jesus, remember me when you come into your kingdom.[a]" 43 Jesus answered him, "Truly I tell you, today you will be with me in paradise."

Sooo yeah. I'm not a Christian but I was raised in the church, and they didn't just pull these beliefs out of their asses. The rest of what you said, however, are good points.

EDIT: Except your stance on homosexuality/the transgendered. You seem to be willfully overlooking the fact that Christ treated everyone with love and respect and that you as a Christian are called to do the same. That doesn't mean you have to agree with them. It means you're not supposed to be hateful towards them.

Good question. The obvious, undeniable attack against Christians and Christianity should prompt some sort of action. But I think they are just waiting for the second coming of Christ to sort 'em all out.

I, however, am not quite so passive and faithful, and would like to take a more active role in bringing down the evil in the world.

When in history did they stand up? Seems to me most the time they were the 'evil'.

I'd argue that churches are nothing more than social clubs because frankly nothing supernatural exists. Not a popular opinion on this sub I'm sure, but, there is no God, gotta rip that band aid off sometime.

And any church is trying to control YOU. Don't kid yourself to thinking otherwise.
