## HOW THE PROGRAMMERS UNDERSTAND DEMONOLOGY

Demonology is the key to what the programmers accomplish. Some recent efforts to expose the Monarch Mind Control have portrayed the programmers as very cynical about their “magick”. While there may be exceptions to the rule, within the Illuminati, demonology is not taken lightly, but is considered to be the real science of the Sciences of Mind Control. The goal of the Illuminati programmers is stated in their own writings in latin, “Quod superius est sicut quod inferius et quod inferius est sicut quod superius ad perpetranda miracula rei unius...” Meaning that their goal is to achieve the wonders of the “one thing” where “that which is above, is like that which is below and that which is below is like that which is above.”

In other words, they take the dark spiritual realm of Satan, as the pattern for the world. This Latin phrase is also used to support astrology, which influences some of the programming decisions. The concept of astrology was created by reframing God’s “event markers” as event controllers. While Americans think of 1776 as independence year, 1776 was originally chosen as the most favourable year to reorganize the mystery religions into the formal Illuminati because 1776 consists of 1100 and 666. 1100 is the Babylonian counting system’s number for 666. Babylonian Satanism is a foundational part of Moriah’s Illuminism.

Some of its bloodlines are descendants of the Pharisees who secretly practiced Babylonian Satanism at the time of Christ, incl.. child sacrifices. It’s standard operating procedure in the occult world that what you see is not what you get, double-meanings are the norm. Those students of Monarch Mind Control who do not want to delve into what the Programmers are doing are limiting their own understanding. Most of what the Programmers do is actually spiritually based and connects to their understanding of demonology. Much of what the victims of the Monarch Programming experience will be understood in the context of the spiritual world. Obviously some is illusion. Obviously some is delusion. However, when the high level programmers teach novice programmers, they will be teaching the spiritual principles you the reader are about to be told. (A few therapists across the U.S.—and their names will not be revealed, have had miraculous recoveries of their Monarch slaves when they addressed these demonic and spiritual issues. These are therapists, who tried the old methods for years, and then

in desperation were willing to listen to ex-programmers and other informed people about the spiritual side of the programming.)

An example of how ritual & programming overlap is the sabbat ceremony to insure that cult slaves keep silent no matter what, even under torture. On a full moon sabbat, a large oak tree will be used to hold this night ceremony. A Majic cake, also known as a Red or Acacia Cake is made for the ceremony. The demon seer is invoked using the name Shaddai (one of its 9 mystic names). An unbaptized child, who has been taken from Christian parents, is in the middle of the Pentagram, and a live altar consisting of a woman is used. A magic square called Satar formula is carved onto the child with an Eagle or Rooster claw. The child is turned to the 4 directions and then turned face down toward the east. The child must curse and blaspheme God Almighty. Then its mouth is gagged with a purple cloth. Flesh is cut from the child, and mixed with black millet and given to Satan (also called Sheitan). Prayers in Enochian are said. Incense is lit. The child is now sacrificed to Satan, using the ritual athame (perhaps a black handled dagger), while the child is condemned by the cult to hell.

This type of ritual is to instill fear of talking and praying into the cult members. One of the secret ceremonies to invoke demons comes from The Book of Beasts. It is an ancient ceremony to summon demons. The ceremony begins with reading the Tetragrammaton Elohim, the Creature of Judgement is invoked, as well as the 9 mystic names of the dead. A child is skinned and sacrificed. The Book of the Old Faith is read from. And then the demons are dismissed and a bell rung in the 4 directions. Monarch slaves recall the stench of the demons, and the roar that they make when invoked. To live through a horrifying experience like this does impact the slave, and therapists need to quit ignoring the various impacts that effect the victim of occult ceremonies.

One of the important keys to success with Monarch programming are generational spirits. The cover for this is studies in genetic science. The programmers believe that genetics are important, but the real abilities to program someone come from the generational spirits that are built up in bloodlines. This is why the Illuminati were in part skeptical that non-generational occult bloodlines could be successfully programmed. They have found that they can be (especially with all their high tech equipment), but the best candidates are those with strong generational spirits. The difference could be compared to those who raise race-horses for the Kentucky derby and those who have horses as a hobby. A race horse must have high spirits. The suburban housewife & daughter who ride as an occasional pastime could care less for that quality of horse. The military can produce cannon fodder with the simple mind-control of Basic Training. They don't need sophisticated time intensive mind-control techniques like the Monarch Program for some military positions. Third world children are being programmed to become baseball players etc. But the highest occult avocational positions will be given to people with exceptional generational demonic power.

Within a Multiple you will find duplicates of a particular name. For instance, you may find thirteen Susies. Susy1 may not even be aware of the other Susies. The internal worlds of the Monarch victim are structured along demonic patterns. Within the demonic world the spirit Moriah is not itself in every victim that has Moriah. Moriah # 10,882 may be in victim A, and Moriah # 3,355 in victim B. But the difference is academic because the Moriah in each victim is a member of the same demonic family—the Moriah Spirit Family. They are for all intents and

purposes the same spirit. The Illuminati programmers are acutely aware of the generational spirits, who they are, and how they function. The ten commandments warn that a person's iniquity will affect the next 3-4 generations. EX 20:5b. A generational spirit is given "appointment" over a victim at birth. The victim will receive generational spirits from their biological father and mother. Satan can not be the creator of heaven and earth, but he can satisfy his desire to do so, by creating an internal world within the victim, a heaven, earth and hell of his own creation. The armies of spirits which are placed into the infant will cooperate with the programmer and the child to produce the programming. It's like the Father ("Papa" the programmer), son (child) and unholy spirit (demons) work together. The internal creation of worlds within the victim will be the heart beat of Satan.

A Regional territorial commander demon will make weekly rounds in an area, and so the structuring work done with generational victims, combines ideas from the generational spirits as well as the regional commander. The curses and the vows give the Commander the legal right to exercise control over the victim. Within any geographic area, there has been a layering in of demons, much in the same fashion that the programming and demons are layered into a Monarch victim. The most important territorial spirits in an area are the root or original spirits. In the United States these are Indian Spirits. Territorial spirits may contribute ideas as to what will be effective for programming in their area. There are geographic patterns to spiritual warfare. Each area has its deities and spirits which rule the valleys, homes, and nations. These particular spirits exercise power over the local people. The evangelist is not going to progress, unless he understands the spirits that are ruling what he is trying to liberate people from. The basic territorial spirits are the original ones.

In the U.S. these are the Indian spirits. That is why the Illuminati pays such a strong interest in the Indians. The original principalities are the foundation, the bedrock upon which everything else is layered upon. This also is done in Monarch programming. A number of Monarch slaves have Indian shamans and spirits placed in their systems. Upon the original foundation, the newer ideologies are layered in. In Russia, communism was simply layered on top of the original territorial spirits. In China, communism was simply layered on top of the original territorial spirits. This is one factor why Chinese & Russian communism were never alike. Traumas and crises will produce strongholds.

There is a direct tie between much of the insanity today and demons. Spiritual principles should be studied by Christians to understand how demons operate and what gives them entry rights and power. Certain objects and people are focal points for spirits.

Who are the experts? Basically, two types of people involve themselves in studying demonology—those who are involved with performing works of darkness such as magic, or those involved with performing works of godliness such as deliverance ministries. Jesus told his disciples to command the demons to leave. He didn't ask his disciples to let him cast out demons, nor did he ask his disciples to ask the demons to leave. No, the responsibility was placed upon his disciples & they were asked to command the demons to leave. The Illuminati maintain hidden libraries full of ancient treatises on demonology, which they avidly study. Some of the more important demonology books are the Sixth and Seventh Book of Moses, The Black Raven, The Spring Book, The Spiritual Shield. A whole series of magical books bearing the

name of Solomon exist, of which the Key of Solomon is widely known. Clavicula Salomonis or the Clavicle of Solomon is also well known.

More and more of the ancient writings seem to be coming to light in these end times, and the hierarchy is getting bolder and bolder in the release of this information.

Opposite the Illuminati, are those dedicated Christians who study demonology, not to invoke demons but to free people from them. Each state in the United States contains a few Christians who understand demonology and deliverance from it. The blood of Jesus Christ (Yeshua ha Messiach) is very powerful against demons. High level deliverance can not be done without angelic and the Holy Spirit's help. The Christian who gets into studying and fighting high level demonology needs to learn the significance of getting God's help. Without God's help, the deliverance will back-fire in the face of the deliverer. Members of the Illuminati are bound in servitude to Satan. One of the strong shackles that bind Satanists to Satan is the high level of demonology they are enslaved to.

How are the demons organized? It is very clear that there are different types of demons, and that they are divided up into different ranks, functions, orders, etc. A great deal of time has been spent by both brilliant Christians and satanic Magicians to chart out the names, ranks, and structure of the demonic armies that Satan commands. One accurate method of ranking demons has 365 ranks of demons, with no. 1 being the highest level of demons. The numbers of top level demons are numbered in the trillions, while the lower level imps are incredibly numerous. There is no shortage of demons to carry out the work of Satan on this planet. These demons are sometimes variously referred to as spirit guides, angels, wizards, ghosts and aliens or a number of other disguises.

Both early Christians and the occult have often divided up the evil spirits under fire, water, wind, and earth. The power of Enochian magic comes from the Watchtowers of these four elements. Some common types of Evil Spirits are: Spirit of the Anti-Christ (1 John 4:3) Spirit of Bondage (Romans 8:15) Spirit of Divination (Ezekiel 21:21) Spirit of Death Dumb & Deaf Spirit (Mark 9:25) Spirit of Error (1 JN 4:6) Familiar Spirit (LV 20:27) Spirit of Fear (2 TM 1:7) Spirit of Haughtiness (PRY 16:18, 19) Spirit of Heaviness (ISA 61:3) Spirit of Infirmary (LK 13:11) Spirit of Jealousy (NM 5:14) Lying Spirit (2 CHR. 18:22) Perverse Spirit (ISA 19:14) Seducing Spirits (1 TM 4:1) Spirit of Whoredoms (Hosea 4:12, and 5:4)

Each of these types of Evil Spirits has a number of specialists. For instance the Spirits of Whoredoms contains spirits which can specialize in the following: A Spirit of Unfaithfulness A Spirit of Prostitution (whether Spirit, Soul or Body) A Spirit of the Love of Money A Spirit of Idolatry A Spirit of Chronic Dissatisfaction A Spirit of Fornication A Spirit of Glutton

The Spirits of Bondage include: A Spirit of Fear A Spirit of any number of addictions (drugs, alcohol, etc.) A Spirit of the Fear of Death A Spirit of being a Servant of Corruption A Spirit of Compulsive Iniquity

These lower echelon demons are too numerous to keep track of. When a portal is opened which gives a particular demon legal access into a body, they move very quickly into the physical

body. When a man lusts after a woman, he will open a portal, such as the mouth through which a demon (spirit of lust), shaped for instance like a frog, will jump in through. This demon will then insure that the evil thought will be acted upon. The principalities and powers exercise dominion over spirits. Further, high level Satanists are well aware of all these things. When godly people of faith identify, bind and cast out specific demons, they should practice loosening the appropriate good spirit to take its place.

If we bind a spirit of Bondage, we loose a spirit of adoption. If we bind a Spirit of Error, then we loose a Spirit of Truth. There are 3 powerful satanic covens of 21 persons. They are distributed in Monterrey, CA, Phoenix, AZ and the third in Idaho. L.A. also has a fourth headquarters for the Coven of the 21st Star. These 21-person-covens are made up of very intelligent, powerful persons. These type of covens attract powerful commander demons. Within the co-author's area, Bend, Portland and Eugene areas in Oregon have powerful covens.

Spirits are appointed to protect each program and each memory. A spirit commander called a chief executive is set in command of the victim's life. Military command structures around the world are structured on how the demonic command structure exists. Some soldiers have the same function, but are not actually the exact same person. So it is with demons. Victims have their own individual demons, but they are models of what that type of demon is supposed to act like.

The child is exposed to films, books and stories. The spirits interact within the person's mind to lock these pictures in place. The demons in a sense serve as mirrors within the child's mind, reflecting the images the child needs to fix in the mind. As the programmer, child and demons structure the internal world, the demonic spirits will guard these structures. The force or energy behind the structures is the demons. In order to guard things further, demonic castles and temples will exist within a system to guard it. Entire spiritual quadrants will exist, that are entirely spiritual and contain absolutely no alters. These spiritual worlds can not be seen physically. Only spiritual power and discernment can reveal them. In fact, while the normal person uses 5 senses, the Illuminati teach their alters and people in demonology to use 7 spiritual senses. The child will be shown films and stories, but will then be programmed to forget them. However, the demonic spirits will guard these concepts. The core is involved in giving energy toward these spiritual programming goals.

The wilful contribution of energy to these demonic goals must be guarded so the core is hidden. While other children are playing with children, the victim of Monarch Mind Control slavery is being taught to dance and play with internal playmates which are demons. This is to familiarize the child to the spirit world. The child's family becomes its internal world. There are some teachers in public schools and pre-schools that are openly helping children do this. All the time that the programming is going on, the spiritual world stays hidden in the darkness.

What is someone who believes in good spirits to do with this information? To recognize that the patterns for the programming are inspired by demons, are held in place by demonic energy and are guarded by demons. The programming can be collapsed upon itself if this demonic "glue" is taken away. But only a few individuals understand the spiritual forces behind the programming. This understanding takes spiritual eyes. If the spiritual is not dealt with, the person can be reprogrammed at will by the demonic entities that still control the victim. This is the "missing

piece that has frustrated advanced secular therapists. If we understand monarch programming from the Programmers point of view, they believe in both MPD and Demonic possession. From the programmers point of view, they try to create the alters and demonize the alters. Several ex-Programmers have told Fritz that if a person really wants to understand the CIA's Monarch trauma-based mind-control, they need to realize that it is fundamentally demonic-based. Both of the co-authors have had to sit through lectures by secular therapists who dismissed Satanism and the occult as simply an excuse on the part the abusers to traumatize their victims. According to these secular therapists, demon possession and satanic rituals have nothing to do with therapeutic issues, but are merely games and charades put on by the abusers. We beg to differ with this point of view. Programming and mind-control can not be separated from demonology and occult ritual. Even the "alien programming" uses lots of occult symbols, rituals & spiritual programming.

Demonic possession is getting more and more recognition by psychologists. Some psychologists have discovered that their programmed multiples responded very positively to deliverance of demons, and were able to get more accomplished in a few hours of deliverance than years of psychology. What does this tell us? Well, it is NOT "scientific proof" that demons exist, but it is proof that deliverance can be very helpful. One can debate the exact reasons why deliverance works—perhaps it is merely that the helping person is entering the other person's construct—but the events of successful deliverance strongly indicate that what has happened is an actual deliverance of demons.

Because this book is about HOW the victim's are controlled, and the programmers believe that the primary ingredient in the mind-control is demonology, we will cover demonology. If that bothers some readers, then they need to ask themselves, Are they really wanting to understand HOW the mind-control is done, or simply superimpose and replace the HOW it is done with what they themselves would do? Several times psychologists have been heard saying, "We don't know how the programmers think. It would be helpful to know." How many people are really ready to hear the answer? Recently, one of the Programmers (and names could be mentioned) never got excited as long as his slave was in therapy, but when his slave got a deliverance, he came totally unglued.

On the flip side, anyone who can read this book entirely to this point and think that Illuminati slaves only have a problem with demons has somehow missed most of the book. The programmers are so demon possessed that people who have worked with them say that the powerful demons within them try to compete with each other for power. Those who have worked with the programmers know how the programmers themselves have been skilled in conjuring demons with a nine-foot circle with magical phrases like "Bagabi laca Bachabe, Lamac cahi achababe,..." Rituals have been performed at the programming sites. (On the flip side, deliverance ministries can send demons to the throne of Almighty God to get instructions.)
